

MONAHAN PARTNERS ANNOUNCES

————— *Our New* —————

FREIGHT BUSTER HANDLE

To help you prepare for an Amazon World

- Stainless Steel
- 22 mm (approx. 7/8") or 25 mm (approx 1") diameter
 - 3 sections in assembled lengths of:
30", 42", 48:", 54" and 60"
- Easy, fast, intuitive assembly of threaded sections
- Swivel cap and USA standard thread or open end
 - Stronger than a traditional one piece handle
 - Confident feel • Patent Pending

BEFORE

AFTER

Of course, these freight buster handles cost more than a one piece handle – but will save so much more in freight and storage costs.
